Tithes and Offerings

Giving is an act of worship that shows our Heavenly Father our reverence and adoration for Him, our trust in Him to provide for our needs, and it empowers the local church to make disciples and share the message and love of Jesus Christ. Our families at FBC chose to worship through giving in a few different ways:

- **Offering Box in the Back.**
- **Mail in or drop off offerings at the Church Office.**
- **And now online on our website.**

During the time of our offering the Alter is open if you and your family wish to come and pray. Everyone is welcome to do this if you choose.
