

Dear Brothers & Sisters in Christ,

In these days of the continuing worldwide pandemic, thanksgiving can be a challenge. Our lives have been changed and our routines have been disrupted. There is an extra layer of attention necessary with almost everything we do. While all that weighs on some, the enormous economic impact has impacted everyone. Indeed this year has been difficult and challenging to say the least.

In the midst of this hard and trying situation, we have come to the beginning of the Holiday season starting with Thanksgiving. We must remind ourselves that Thanksgiving for Christians is not just about pumpkins, apples, and pretty autumn leaves although these gifts do deserve our gratitude. For us, the body of Christ, the local body of believers, every day is thanksgiving as we express gratitude to our loving Heavenly Father for the gift of His Son, our Lord, Jesus Christ. When we keep that perspective, it enables us to see that in every annoyance, there is a blessing; with every challenge comes an opportunity to grow. Even in the midst of chaos and confusion, there is the reminder that God's order of creation is a visible sign that continues to guide us in our walk with the Lord.

We have been in Phase Three Strategy since September 13 and at this time, I am unaware of any COVID-19 cases that have resulted in us meeting together. I want to thank all of you for taking the necessary precautions that has made this possible. However, I do want to remind you that we must stay vigilant in our efforts to provide a safe and secure environment.

Our online presence continues to grow and expand. Specifically, our livestreaming capabilities continue to improve on a weekly basis. Your patience is greatly appreciated as we continue to make progress. If you are interested in learning more about livestreaming please contact me @ 817-694-4952 or [tgneely86@gmail.com](mailto:tgneely86@gmail.com).

All praise to the Lord our God for leading us through this difficult time. He continues to demonstrate His faithfulness to us as individuals and as a church. Please continue to pray as we seek His wisdom and guidance while we navigate through this challenging time.

In His Love,

Pastor Tim
